RE: 2015-16 Winter Bull Test

Please find enclosed the various forms which must be filled out and returned to the Maritime Beef Test Station regarding the 2015-16 winter bull test. Please return the enclosed forms to the Test Station before October 23, 2015.

Review the enclosed information carefully. There have been a number of changes to our program. We would like to take this opportunity to express our appreciation to you for your support and confidence with our program at Nappan.

We have undergone many changes financially and administratively, however, the new governing officers have not lost sight of the original mandate:

To continue the tradition of unbiased data collection and to remain a not-for-profit business that serves the Maritime Beef Industry

We continue to make changes to our program to improve the financial appeal of our industry.

New for 2015-16

- The 2015-16 yardage fee is \$150, the health treatment charge will remain at \$50.00 and membership will remain at \$25.00 +HST. **All fees must be paid prior to animals being accepted to the Test Program.**
- Semen testing will be conducted by the Atlantic Veterinary College.
- Ultrasound testing will be conducted by BIO.
- If registration papers for purebred bulls are not received by the Test Station office by March 1, 2016 the bull will not be eligible for the sale.
- If sire and dam registration papers for F1 bulls are not received by the Test Station office by March 1, 2016 the bull will not be eligible for the sale.

Each of the Maritime Provinces, through the Departments of Agriculture offer incentives for consignors and buyers of bulls which are tested in Nappan:

Province	Program Name	Contact Person	Phone Number
New Brunswick	Livestock Genetic Enhancement Program	Guy LeBlanc Duncan Fraser	506-453-5466 506-856-2278
Prince Edward Island	Agriculture Livestock Enhancement Program	Les Halliday	902-314-0827
Nova Scotia	Elite Sire Program	Brad McCallum	902-893-7455

The Maritime Beef Test Station's Annual General Meeting will be on Saturday November 21, 2015 starting at 10:30 am. The annual meeting will be held at the Nappan Experimental Farm Pavilion. Lunch will be served at a cost of \$15.00

Enclosed are the bull application and supporting forms. If you have any questions, please feel free to contact the office at 902-661-2855.

PLEASE NOTE:

- (A) The test period will be 112 days in length.
- (B) The adjustment period will be 21 days in length, allowing the bulls time to adjust to Test Station conditions.
- (C) Bulls entering the test must be born between December 15, 2014 and March 15, 2015.
- (D) Transportation of cattle entering the Test Station will no longer be provided as in the past. The staff will try to help coordinate transportation as much as possible. Please call the office and we will try to assist you with your trucking this fall.
- (E) All cattle must be dehorned upon arrival and please follow the enclosed health recommendations to help reduce health costs and ensure your bulls and heifers get off to a healthy start.
- (F) Please sign and return the enclosed forms to the Test Station.
- (G) The next group of bulls will be accepted on November 6th and 7th, 2015. No animals will be accepted for Winter Test after these dates. **Please return the enclosed information by October 23, 2015.**
- (H) The program's annual membership fee is \$25.00 + HST (\$28.75) per farm to assist in addressing our financial commitments. The application is included with this package.
- (I) The yardage fee to cover fixed costs is \$150.00 per animal.
- (J) The price structure component pertaining to vet costs will again be in effect this fall. In an attempt to bring vet costs in line, any vet costs over \$50.00 will be charged back to the breeder, with the breeder being notified. Charges will be billed at the completion of the test period. This structure was brought into place to combat increasing drug costs as well as to promote proper conditioning of cattle prior to entry.
- (K) All fees are payable prior to animals being accepted to the Test Program. Cheques can be made payable to the Maritime Beef Test Society. Credit card (Visa, Mastercard and American Express, a 3% surcharge will be applied) can be made by calling 902-893-7455.
- (L) If you have any questions do not hesitate to contact the office staff at 902-661-2855, you can also fax applications to 902-661-0372.
- (M) All cattle must be tagged with a CCIA identification number prior to entry. The Test Station may apply a tag at the breeder's expense. CCIA tags are to be placed in the opposite ear as the tattoo.
- (N) Crossbred bulls will be accepted in the fall of 2015, if they are F1 bred. This means that they have a registered sire and registered dam, **proof must be provided.**

- (O) All cattle will be dewormed upon arrival as well as receiving an on arrival BRD drug such as Draxxin.
- (P) A Reproductive Physical Exam will be performed on the bulls and the cost charged back to the consignor. A reproductive physical exam is a prediction of a bull's potential reproductive capacity based on selection criteria. Selection criteria includes a physical examination for abnormalities, examination of the genital organs, libido evaluation, and scrotal circumference measurement. By examining bulls for breeding soundness it allows the consignor to identify bulls that are potentially poor breeders and it allows them to improve fertility rates in their herd. The cost of the reproductive physical exam will be charged back to the consignor.
- (Q) Semen Testing will be performed by the Atlantic Veterinary College on all bulls and the cost will be charged back to the consignor.
- (R) Ultrasounds will be done by Beef Improvement Ontario (BIO) on all bulls and the cost will be charged back to the consignor.
- (S) A small fee (\$10) is charged to consignor which goes into a compensation fund. The decision of whether or not an animal qualifies for the compensation fund will be made by the Board of Directors of the Test Station.
- (T) If registration papers for purebred bulls are not received by the Test Station office by March 1, 2016, the bull will not be eligible for the sale.**
- (U) If sire and dam registration papers for F1 bulls are not received by the Test Station office by March 1, 2016, the bull will not be eligible for the sale.**

Membership

The Annual Membership Fee of \$25.00 (two members per farm) will be paid at the time of entry. This membership entitles any members of the Maritime Beef Testing Society to have a voting privilege on Test Station business. Membership will be strictly adhered to at meetings. In order for members to actively vote on issues, he or she must be in good standing with the Society for the current year. This additional funding is being utilized in the administration of the program as well as to provide financial resources to fund our Annual Meeting and dinner. Changes such as these are made in an attempt to recover costs that we are unable to continue to provide to our clients. We hope you understand our current position and will continue to support our endeavors and ensure that we continue to maintain our role in the further development of our Beef Industry.

Active: Every Maritime Producer of beef cattle who pays annual membership dues will be eligible to be a member of the Maritime Beef Testing Society. Everyone who tests animals at the Test Station must be a member of the Society.

Associate Members Membership on a non-voting basis is open to all those persons, companies, institutions, etc. who are not actively engaged in the production of beef cattle.

Please fill out the provided form and return it to our office with your entry form. The \$28.75 (inc HST) payment must be made at time of entry.

PLEASE DETATCH THE FORM BELOW AND RETURN WITH YOUR APPLICATION
